## Paper, absorbent, Labmat™ liners

02

**Scienceware®**

Bench and drawer liner simplifies clean up chores and safeguards work surfaces from stains, spills and wear. The flexible polyethylene film backing is non-slip and prevents seepage of most solutions. The highly absorbent upper surface traps water, dyes, corrosive chemicals and radioactive solutions. Dimensions, 508mm wide in 152mm rolls, each in a handy dispenser carton. Required length is easily cut off with scissors while the roll is retained in the dispenser.
