

Pipettor tips, Rainin LTS® SoftFit~L

- Compatible with LTS® pipettes made by Rainin Instrument, LLC
- Fully recyclable components
- Economical and environmental design reduces waste and saves bench space
- Recess lid allows stacking of reloads and racks
- Unique easy-to-use 'push down' reload sleeve
- One hand operation of locking clasp
- Hinged lids can be reversed to convert into a lift-off design
- Pipettor tip plates clip securely into racks but are easy to remove
- Strong design prevents flexing and warping
- Recessed holes stabilise pipettor tips in multichannel applications
- Individual colour coded inserts clearly identified with product number and lot number
- Empty rack part numbers allow for easy conversion to Reload system
- 3 packaging formats:
 - Reload system (8 or 10 inserts and 2 hinged racks)
 - Hinged racks
 - Lift-off cover racks
- Tip types:
 - PURE RNase, DNase and Pyrogen free certified tips
 - HLT non-sterile tips
 - ART® barrier filter pre-sterilised tips
 - Low retention
